

Photo Gallery 3

A selection of photographs taken by and © husband and wife team, Moyra & Rodger Peralta.

This gallery page has one slight difference from the others, in that only nine of the photographs are of Nunhead Cemetery, the rest come from ten other cemeteries that Moyra and Rodger have photographed.

So, take the Nunhead Photo Quiz and try to decide which are Nunhead photos and which aren't. There is no prize, other than the opportunity to look at some excellent black and white photography. Follow the link at the bottom of the page for the answers.
